**Tier Pricing**

Realizing that families have differing abilities to pay, we've instituted a voluntary 3 tiered pricing program. Please take a moment to look at the rate description and determine which of these prices your family is able to pay for your child's camp experience. This is strictly an honor system; select the fee you feel is appropriate by marking both the price and camp session below. The tier selected by the family will remain confidential.

This program is voluntary, and in no way influences the experience children receive. Additional financial assistance is available. Call for an application or download at [www.collincountyadventurecamp.org](http://www.collincountyadventurecamp.org)

**Tier 1**

Based on actual cost of camp for child to participate. Includes but not limited to: Staff costs, general overhead, transportation, marketing, capital improvements and depreciation. \$220

**Tier 2:**

This price more accurately accounts for additional costs of operating, including wear and tear on equipment, and the purchasing of new equipment. Partially subsidized rate. \$200

**Tier 3**

This cost reflects more accurately the basic costs of attending camp, including food, staff salaries and supplies. \$180

**Payment Information:**

- \$50 Deposit per session due upon registration. Deposit is put toward total cost of camp.
- Final Payment Due 2 weeks prior to start of session
- Confirmation and Parent Handbook will be sent upon receipt of registration
